Technology Roadmap — Template

A rolling 12-month roadmap the board can read in two minutes. Named initiatives, owners, dependencies, expected value.

1. Now · Next · Later

Horizon	Initiatives
Now (0–3 months)	
Next (3–6 months)	
Later (6–12 months)	

2. Initiative record (repeat per initiative)

Field	Value
Initiative	
Business outcome	
Executive sponsor	
Delivery owner	
Expected value (£ or KPI)	
Dependencies	
Cost estimate (£)	
Target date	
Status (RAG)	

3. Governance

- Reviewed monthly. Reprioritised quarterly. Republished after every change.
- Nothing sits on the roadmap without a named executive sponsor.
- Value is stated in £ or a KPI the board already tracks — no vanity metrics.
